**STEVEN**  
FROM CSMU

Hi, everyone!  
I'm Steven. It's my pleasure to be one of the AMSEP officers in Taiwan. For the past few years, I've devoted myself to the field of AMSEP and built lots of connection with my close international friends. Now, I can't wait to discuss AMSEP with every AMSA chapter due to my enthusiasm and passion for AMSEP. During AMSEP, you're gonna get to know genuine cultures and authentic food here in TAIWAN. Most important of all, We Taiwanese will definitely show our kindness and hospitality to our honorable guests.
